

THE LANDMARK SCHOOL

SCHOOL PROSPECTUS

"Intelligence Plus Character
that is the goal of true Education"

The Landmark School

THE SCHOOL

Dear Parents,

Welcome to The Landmark School

Welcome to the abode of intellect where the purpose of education is to equip children with the most excellent technological proficiency; to empower them with the skills in order to realize his/her innate potential; to create the right climate so that the child may develop fully as a complete human being. At The Landmark School one's intellect is transformed into an illuminated reflection of knowledge and broad outlook towards life.

The Landmark School, Bhogpur is a proposed K-12 CBSE co-educational school, established to make children well-rounded and self-dependent individuals with a vision to empower knowledge & excellence along with an inculcation of Indian values and culture. The school is constructed on a sprawling and a green campus with splendid infrastructural facilities on a very prime location in the wide spread. The school is a quality and meaningful educational initiative by Wisdom Foundation. The founders dream and conviction that The Landmark School, Bhogpur will prove its mettle as a vibrant, creative and trustworthy centre of learning, excellence, values and innovation and is an epitome of inspiration to the growing society. Their legacy for unstinted effort and honesty of purpose lives on in the spirit of our school.

Beside this, the school management committee comprises of renowned educationists, jurists, engineers & administrators and promises to replicate the excellence that the other The Landmark Schools in India and abroad have shown in providing a comprehensive education to its students.

The Landmark School, Bhogpur is in the process of affiliation and is soon going to be affiliated to the Central Board Of Secondary Education (CBSE), New Delhi. Which offers a nationwide curriculum in an environment that fosters excellence in school life amidst wide open spaces. It also promotes practical thinking in children, so they can learn through their cognitive and thinking skills and can relate to the world around them.

The institution provides a broad range of activities, contents, approaches and learning opportunities which promotes each child to discover and develop their own strengths. Our School caters students with varying intelligence, abilities, interests and skills. Thus, the curriculum is carefully curated to involve students with multiple learning styles.

In essence, The Landmark School is set to usher in a new era of education in Bhogpur, Jalandhar (Punjab)

PHILOSOPHY

The essence and philosophy of our school centres around....

*“Empowering knowledge, Inspiring Excellence,
Adopting Innovation and Instilling Values”.*

Beside this, our school is committed to application-oriented learning. We believe that shaping the overall personality of the student is of paramount importance and will offer total personality development as part of the curriculum transaction. We provide individual attention to our students, thus enhancing their ability to acquire and synthesize knowledge. The objective is to inculcate a self-sustaining, innovative and self-renewing system that always operates on a learning mode.

MISSION

- We seek to make our children confident and creative builders of their future. Our focus is on the child as a whole entity.
- We work towards an integrated curriculum that reaches across disciplines and age levels. The students will be encouraged to meet academic challenges with openness, enthusiasm and willingness to solve problems.
- We strive to inspire our students to achieve the highest standards of intellectual and personal development through a satisfactory, stimulating and comprehensive

VISION

- To prepare dynamic and caring citizens of tomorrow, to meet the challenges of a global society, while retaining their traditional values.
- To develop our school into a vibrant and an exemplary educational institution where students are nurtured, encouraged and motivated to achieve their ultimate potential by exploring limitless possibilities with utmost confidence, dedication and excellence.

 2. Admission will be cancelled if any variance or misrepresentation is found in the particulars filled in the admission form and the supporting documents at any stage. In such case, only the security deposit will be refunded.

The Landmark School

OUR EMPHASIS

Our values and attributes, which align with our guiding statements, are integral in creating a school culture and climate to realise our educational goals.

TEACHING AND LEARNING

The The Landmark School Bhogpur curriculum uses a variety of engaging teaching and learning methodologies that challenges and motivates learners to excel.

Inquiry-based and application-oriented approaches across all subjects and age groups enable students to learn about and respect a range of ideas, independently and collaboratively with others. It helps them to develop new perspectives and take responsibilities for their learning.

Our teachers are trained in Curious Classroom Concepts, Project-Based Learning, Brainstorming, Role Play, Interactive Laboratory Experiments and Self & Peer Evaluation, to make learning more engaging and effective.

TLS-06

STREAM Education Model

Child Psychology

Lifelong Skills are related to the matter we mutually connect with the world around us and in a way they also tackle the building of relationships. These skills are important in transforming our society in a positive way as they stem from what is the best in us. The acquisition of lifelong skills are useful in helping us work, learn, and live better.

Sports Arena

We at The Landmark School, encourage students to participate in sports activities for enjoyment, relaxation & exercise. Sport is a positive aid to educational development & is imperative for formation of sense of self-worth in an individual & build a leadership quality. Sports also play a key role in building gamesmanship & team spirit. Students get an opportunity to experiment with a variety of sports that they wish to pursue,

Swimming Complex

All aspiring students have regular access to the fully covered swimming pool in the school. The indoor swimming pool of 50 m length & 25 m width with 1 m depth in the shallow end & 2.5 m depth in the deeper end caters to need of any growing swimmer. The hygienic conditions of the surrounding, temperature & cleanliness of water etc is ascertained & certified on regular basis. Two well trained instructors, with a full time to take care of the trainees area at their services during all school days. Separate lady coach is provided for girls.

("The life like swimming Pool. You dive into the water, but you can't see how deep it is.")

YOGA and MEDITATION

The power of Yoga and meditation has been incorporated in our curriculum, as we believe it is a complete package of fitness of mind body and soul. The school's vision of holistic development of students is met by practicing this wonderful form also known as 'Nirvana'.

MUSIC & DANCE STUDIO

We at The Landmark School offer Dance in its curriculum to stimulate aesthetic knowledge, development of self and holistic growth of students. The innovative teaching methodology, practices dance in an integrated approach to explain various academic concepts that are otherwise complex for students to grasp.

Transport

Transport facility is available for all the students. Safety is the keyword. Each bus is GPS enabled. The drivers and the attendants are trained and employed only after police verification. The school app helps the parents to find the location of the child on its way home.

Partnership With Parents

Our relationship with parents is crucial to the success of our students and, therefore, we consider parents as partners, giving importance to their involvement in the school's educational process.

A regular and meaningful communication between the school and home is therefore, necessary and encouraged. A variety of opportunities are provided for close interaction with parents.

They are:

- Parent orientation at the commencement of an academic year.
- Open House days to discuss student's progress and areas of mutual concern and interest.
- Regular communication through the Student Diary.
- Periodic Circulars.
